Terms and Conditions

Priory Cottage is available from 16:00 on the Friday of arrival and you are requested to leave by 10:00 on the Friday of departure.

We do ask that you look after the cottage and leave it as clean and tidy as you find it.

No responsibility can be accepted for damage to persons or property or material losses. Please make sure that you have your own insurance cover.

Cancellations must be made in writing and whilst every effort will be made to re-let in such an event, it is a condition of booking that the whole rent will be payable where a re-let cannot be arranged. You are advised to arrange adequate insurance cover in case you have to cancel the booking.
